

This election day, let's...

save health care in washington

When it comes to the future and priorities of our state, it is Washingtonians who are supposed to call the shots, not corporate lobbyists and special interests.

***Ballot Recommendations from
Save Health Care in Washington***

No on I-1053

No to BP Oil and government gridlock

No on I-1107

No to the national soda industry

Yes on I-1098

To cut your taxes, and raise money for education and health care!

Vote to protect essential health care services.
