## **Community Health Plan Pharmacy Network for Basic Health and Healthy Options**

### ***Our Pharmacies***

The Community Health Plan pharmacies (our network) include most nationwide pharmacy chains and many local pharmacies. Only Washington State pharmacies are listed in this handbook. As a member of Community Health Plan, you must have your prescriptions filled at a one of our pharmacies.

If you want more information about one of our pharmacies throughout the state, call the Community Health Plan customer service team at 1-800-440-1561 (toll free). If you are hearing or speech impaired, please call TTY 1-866-816-2479 (toll free) or local 206-613-8875.

### ***Your Right to Safe and Effective Pharmacy Services***

State and federal laws set rules for safe and effective pharmacy services. These laws give you the right to know what pharmacy services are paid for by your plan.

Community Health Plan makes sure prescription drugs are prescribed in a safe manner. If it seems that too many drugs are being used, we may have you get your prescriptions from just one provider and go to only one pharmacy.

If you would like more information about what pharmacy services are paid for by Community Health Plan, please call the Community Health Plan customer service team at 1-800-440-1561 (toll free). If you are hearing or speech impaired, please call TTY 1-866-816-2479 (toll free) or local 206-613-8875.

If you would like to know more about your rights under the law, or if your prescription drugs are not what you expected, call the Washington State Office of Insurance Commissioner at 1-800-562-6900. If you have a concern about the pharmacists or pharmacies serving you, please call the State Department of Health at 1-360-236-4825.

### ***Health Coverage When You Travel***

While you are traveling, Community Health Plan or a State program pays for medically necessary emergency care, urgent care, and follow-up care that cannot wait until you get home. We also pay for medicines needed for emergency treatment. You may fill your prescription at any of our nationwide pharmacy chains. For more information, please call the Community Health Plan customer service team at 1-800-440-1561 (toll free). If you are hearing or speech impaired, please call TTY 1-866-816-2479 (toll free) or local 206-613-8875.

If you have an emergency while traveling, call 911 or go to the nearest emergency room. You must tell your PCP within 24 hours after your emergency room or urgent care center visit or as soon as your health allows.

If you need a 30-day supply of a prescription before you go on vacation, please ask your PCP before you leave. If you need more than a 30-day supply, please call the Community Health Plan customer service

team at 1-800-440-1561 (toll free). If you are hearing or speech impaired, please call TTY 1-866-816-2479 (toll free) or local 206-613-8875.

### ***Things to Remember***

You must show your Community Health Plan ID card and have your prescriptions filled at one of the pharmacies listed in this handbook.

Certain drugs require an okay (prior authorization) from Community Health Plan before they are paid for. As new medicines are made or the use of medicines is changed, we may add or take off some of the drugs on our list.

Maximum limits are required on some drugs to make sure they are used safely. Use of half tablets is okay for certain drugs. The pharmacy will give you a tablet splitter at no charge when you present a written prescription.

If you have questions or problems at the pharmacy, please ask the pharmacist to call the Community Health Plan customer service team at 1-800-440-1561 (toll free). If you are hearing or speech impaired, please call TTY 1-866-816-2479 (toll free) or local 206-613-8875.

If you would like to know more about your rights under the law, or if you think we are not paying for things we should, you may call the Office of Insurance Commissioner at 1-800-562-6900.

If you have a concern about the pharmacists of pharmacies serving you, please call the Washington State Department of Health at 1-800-525-0127.
