

**Mission:**

Community Health Plan's mission is to deliver accessible managed care services that meet the needs and improve the health of our communities, and to make managed care participation beneficial for community-responsive providers.

**Founded:**

Community Health Plan is a not-for-profit health plan founded in 1992 by a network of community and migrant health centers in Washington State.

**Plan type:** Health Care Services Corporation (HCSC)

**Service delivery network:**

Our health care system of dedicated community and private network providers comprises:

- 300 primary care clinics and provider offices in 33 Washington state counties
- 1,600 primary care providers
- 9,000 contracted medical specialists
- 90 hospital affiliates

**Health care programs:**

Community Health Plan offers affordable health insurance coverage through numerous public programs under contract with the State of Washington. The health plan is the largest provider of the Basic Health and the sixth largest insurer (commercial or nonprofit) in Washington State.

Programs include:

- Basic Health
- Healthy Options
- State Children's Health Insurance Program (SCHIP)
- General Assistance Unemployable (GA-U)
- Medicare Advantage

**Total membership:**

241,018 Plan members as of January 2009
