

Supplemental Mental Health Directory **2015**

COMMUNITY HEALTH PLAN
of Washington™

Table of Contents

Mental Health Integration Program (MHIP) clinics Page 2

Community Mental Health Clinics (CMHC) Page 9

This directory provides a list of clinics which offer additional mental health services through the Mental Health Integration Program (MHIP). Mental health professionals located within the following primary care clinics will work with you, your primary care doctor, and a consulting psychiatrist to help you achieve greater health and well-being.

This directory lists clinics by county and city.

The directory also includes a list of Community Mental Health Clinics (CMHC) who provide a wide variety of behavioral health services including assessment, individual counseling, access to a prescribing psychiatrist, case management and referrals to other community resources. These services are provided by a variety of qualified professionals including psychiatrists, licensed mental health clinicians, chemical dependency professionals, social workers, as well as peer advocates and community health workers. Additional services may also be available depending on location and individual eligibility.

This directory lists clinics by county and city.
