Introduction to the Summary of Benefits for Community HealthFirst™ MA Special Needs Plan (HMO SNP)

January 1, 2012 - December 31, 2012

Thank you for your interest in Community HealthFirst MA Special Needs Plan (HMO SNP). Our plan is offered by Community Health Plan of Washington, a Medicare Advantage Health Maintenance Organization (HMO) Special Needs Plan (SNP). This plan is designed for people who meet specific enrollment criteria.

You may be eligible to join this plan if you receive assistance from the state and Medicare. All cost sharing in this summary of benefits is based on your level of Medicaid eligibility.

Please call Community HealthFirst MA Special Needs Plan (HMO SNP) to find out if you are eligible to join. Our number is listed at the end of this introduction.

This Summary of Benefits tells you some features of our plan. It doesn't list every service we cover or list every limitation or exclusion. To get a complete list of our benefits, please call Community HealthFirst MA Special Needs Plan (HMO SNP) and ask for the "Evidence of Coverage."

You have choices in your health care

As a Medicare beneficiary, you can choose from different Medicare options. One option is the Original (fee-for-service) Medicare Plan. Another option is a Medicare health plan, like Community HealthFirst MA Special Needs Plan (HMO SNP). You may have other options too. You make the choice. No matter what you decide, you are still in the Medicare Program. If you are eligible for both Medicare and Medicaid (dual eligible) you may join or leave a plan at any time.

Please call Community HealthFirst MA Special Needs Plan (HMO SNP) at the number listed at the end of this introduction or 1-800-MEDICARE (1-800-633-4227) for more information. TTY/TDD users should call 1-877-486-2048. You can call this number 24 hours a day, 7 days a week.

How can I compare my options?

You can compare Community HealthFirst MA Special Needs Plan (HMO SNP) and the Original Medicare Plan using this Summary of Benefits. The charts in this booklet list some important health benefits. For each benefit, you can see what our plan covers and what the Original Medicare Plan covers.

Our members receive all of the benefits that the Original Medicare Plan offers. We also offer more benefits, which may change from year to year.

The service area for this plan includes: Adams, Benton, Chelan, Clallam, Clark, Cowlitz, Douglas, Ferry, Franklin, Grant, Grays Harbor, Island, King, Kitsap, Lewis, Lincoln, Mason, Okanogan, Pend Oreille, Pierce, Skagit, Snohomish, Spokane, Stevens, Thurston, Walla Walla, Whatcom, Yakima Counties, WA. You must live in one of these areas to join the plan.

Who is eligible to join Community HealthFirst MA Special Needs Plan (HMO SNP)?

You can join Community HealthFirst MA Special Needs Plan (HMO SNP) if you are entitled to Medicare Part A and enrolled in Medicare Part B and live in the service area.

However, individuals with End-Stage Renal Disease generally are not eligible to enroll in Community HealthFirst MA Special Needs Plan (HMO SNP) unless they are members of our organization and have been since their dialysis began. You must also receive assistance from the state to join this plan. Please call the plan to see if you are eligible to join.

Can I choose my doctors?

Community HealthFirst MA Special Needs Plan (HMO SNP) has formed a network of doctors, specialists, and hospitals. You can only use doctors who are part of our network. The health providers in our network can change at any time.

You can ask for a current provider directory. For an updated list, visit us at www.healthfirst.chpw.org. Our customer service number is listed at the end of this introduction.

What happens if I go to a doctor who's not in your network?

If you choose to go to a doctor outside of our network, you must pay for these services yourself except in limited situations (for example, emergency care). Neither the plan nor the Original Medicare Plan will pay for these services

Where can I get my prescriptions if I join this plan?

Community HealthFirst MA Special Needs Plan (HMO SNP) has formed a network of pharmacies. You must use a network pharmacy to receive plan benefits. We may not pay for your prescriptions if you use an out-of-network pharmacy, except in certain cases. The pharmacies in our network can change at any time. You can ask for a pharmacy directory or visit us at www.healthfirst.chpw.org. Our customer service number is listed at the end of this introduction.

Does my plan cover Medicare Part B or Part D drugs?

Community HealthFirst MA Special Needs Plan (HMO SNP) does cover both Medicare Part B prescription drugs and Medicare Part D prescription drugs.

What is a prescription drug formulary?

Community HealthFirst MA Special Needs Plan (HMO SNP) uses a formulary. A formulary is a list of drugs covered by your plan to meet patient needs. We may periodically add, remove, or make changes to coverage limitations on certain drugs or change how much you pay for a drug. If we make any formulary change that limits our members' ability to fill their prescriptions, we will notify the affected enrollees before the change is made. We will send a formulary to you and you can see our complete formulary on our Web site at www.healthfirst.chpw.org.

If you are currently taking a drug that is not on our formulary or subject to additional requirements or limits,

you may be able to get a temporary supply of the drug. You can contact us to request an exception or switch to an alternative drug listed on our formulary with your physician's help. Call us to see if you can get a temporary supply of the drug or for more details about our drug transition policy.

How can I get extra help with my prescription drug plan costs or get extra help with other Medicare costs?

You may be able to get extra help to pay for your prescription drug premiums and costs as well as get help with other Medicare costs. To see if you qualify for getting extra help, call:

- 1-800-MEDICARE (1-800-633-4227). TTY/TDD users should call 1-877-486-2048, 24 hours a day/7 days a week and see www.medicare.gov 'Programs for People with Limited Income and Resources' in the publication Medicare You.
- The Social Security Administration at 1-800-772-1213 between 7 a.m. and 7 p.m., Monday through Friday. TTY/TDD users should call 1-800-325-0778 or
- Your State Medicaid Office.

What are my protections in this plan?

All Medicare Advantage Plans agree to stay in the program for a full calendar year at a time. Plan benefits and cost-sharing may change from calendar year to calendar year. Each year, plans can decide whether to continue to participate with Medicare Advantage. A plan may continue in their entire service area (geographic area where the plan accepts members) or choose to continue only in certain areas. Also, Medicare may decide to end a contract with a plan. Even if your Medicare Advantage Plan leaves the program, you will not lose Medicare coverage. If a plan decides not to continue for an additional calendar year, it must send you a letter at least 90 days before your coverage will end. The letter will explain your options for Medicare coverage in your area.

As a member of Community HealthFirst MA Special Needs Plan (HMO SNP), you have the right to request an organization determination, which includes the right to file an appeal if we deny coverage for an item or service, and the right to file a grievance. You have the right to request an organization determination if you want us to provide or pay for an item or service that you believe should be covered. If we deny coverage for your requested item or service, you have the right to appeal and ask us to

review our decision. You may ask us for an expedited (fast) coverage determination or appeal if you believe that waiting for a decision could seriously put your life or health at risk, or affect your ability to regain maximum function. If your doctor makes or supports the expedited request, we must expedite our decision. Finally, you have the right to file a grievance with us if you have any type of problem with us or one of our network providers that does not involve coverage for an item or service. If your problem involves quality of care, you also have the right to file a grievance with the Quality Improvement Organization (QIO) for your state. Please refer to the Evidence of Coverage (EOC) for the QIO contact information.

As a member of Community HealthFirst MA Special Needs Plan (HMO SNP), you have the right to request a coverage determination, which includes the right to request an exception, the right to file an appeal if we deny coverage for a prescription drug, and the right to file a grievance. You have the right to request a coverage determination if you want us to cover a Part D drug that you believe should be covered. An exception is a type of coverage determination. You may ask us for an exception if you believe you need a drug that is not on our list of covered drugs or believe you should get a non-preferred drug at a lower out-of-pocket cost. You can also ask for an exception to cost utilization rules, such as a limit on the quantity of a drug. If you think you need an exception, you should contact us before you try to fill your prescription at a pharmacy. Your doctor must provide a statement to support your exception request. If we deny coverage for your prescription drug(s), you have the right to appeal and ask us to review our decision. Finally, you have the right to file a grievance if you have any type of problem with us or one of our network pharmacies that does not involve coverage for a prescription drug. If your problem involves quality of care, you also have the right to file a grievance with the Quality Improvement Organization (QIO) for your state. Please refer to the Evidence of Coverage (EOC) for the QIO contact information.

What is a Medication Therapy Management (MTM) Program?
