## Welcome to Community Health Plan of Washington and Washington Apple Health

Welcome!

Thank you for enrolling in Washington Apple Health (Medicaid) and welcome to Community Health Plan of Washington (CHPW), your health plan. We work with Apple Health to provide your coverage. This handbook will provide more details about your covered benefits and how to get services.

Most Apple Health clients are enrolled with managed care. This means Apple Health pays your health plan a monthly premium for your coverage. Your coverage includes physical and behavioral health services like preventive, primary, specialty care, telemedicine, and other health services. You must see providers in Community Health Plan of Washington's network. Most services received outside of our service area will not be covered unless pre-approved.

We will get in touch with you in the next few weeks. You can ask us any questions and get help making appointments. Our phone lines are open for any questions you have before we call you. Call us at 1-800-440-1561 (TTY: 711), 8 a.m. – 5 p.m., Monday through Friday

**If English is not your preferred language or you are deaf, deafblind, or hard of hearing**, we can help. We want you to be able to access your health care benefits. If you need any information in a language other than English, including sign language, call us at 1-800-440-1561 (TTY: 711). We will provide language assistance at no cost to you. We can also help you find a provider who speaks your language.

You are entitled to language access services when you attend a health care appointment covered by Apple Health. Your provider is required to schedule an interpreter for your appointments. Let your health care provider know you need an interpreter when you schedule your appointment.

Spoken language interpreters can go to the provider's office, be on the phone, or be on video during your appointment. Sign language interpreters can go to the provider's office or be on video during your appointment.

If you have any questions about our interpreter services program, visit our website at [chpw.org/contact-us/language-assistance](http://chpw.org/contact-us/language-assistance). You can also visit the Health Care Authority (HCA) Interpreter Services webpage at [hca.wa.gov/interpreter-services](http://hca.wa.gov/interpreter-services) or email HCA Interpreter Services at [interpretersvcs@hca.wa.gov](mailto:interpretersvcs@hca.wa.gov).

**Call us if you need help understanding information or if you need it in other formats.** If you have a disability, are blind or have limited vision, are deaf or hard of hearing, or do not understand this book or other materials, call us at 1-800-440-1561 (TTY: 711). We can provide you with materials in another format or auxiliary aids, like braille, at no cost to you. We can tell you if a provider's office is wheelchair accessible or has special communication devices or other special equipment. We also offer:

- TTY line (Our TTY phone number is 711).
- Information in large print.
- Help in making appointments or arranging transportation to appointments.
- Names and addresses of providers who specialize in specific care needs.

## Getting started

You will need two cards to access services, your Community Health Plan of Washington card and your ProviderOne services card.

### 1. Your Community Health Plan of Washington member ID card

Your member ID card should arrive 30 days after enrolling in coverage. Your member ID number will be on your member ID card. Call us right away if any information on your card is incorrect. Always carry your member ID card and show it each time you get care. You do not need to wait for your card to arrive to go to a provider or fill a prescription. Contact us at 1-800-440-1561 (TTY: 711) or [customercare@chpw.org](mailto:customercare@chpw.org) if you need care before your card comes. Your provider can also contact us to check eligibility.

## 2. Your ProviderOne services card

**You will also receive a ProviderOne services card in the mail.**

Your ProviderOne services card will be mailed to you seven to 10 days after you're found eligible for Apple Health coverage. This is a plastic ID card that looks like other health insurance ID cards.

Keep this card. HCA will not automatically send you a new one if you received one in the past. You can request a new card, if needed. Each person has their own ProviderOne client number. Take this card with you to your doctor appointments. Providers use this card to make sure your services are covered.

### Using the ProviderOne services card

You can view a digital copy of your ProviderOne services card through the WAPlanfinder mobile app. Learn more about the app at [wahbexchange.org/mobile/](http://wahbexchange.org/mobile/). There is no need to order a replacement when you always have a digital copy with you!

Your ProviderOne client number is on the back of your card. It will always be nine digits and end in "WA". Confirm your coverage started or switch your health plan through the ProviderOne Client Portal at <https://www.waproviderone.org/client>.

Health care providers also use ProviderOne to see if you are enrolled in Apple Health.

### If you need a new ProviderOne services card

**You can request a new ProviderOne services card if you don't receive your card, the information is incorrect, or you lose your card. You can request a replacement several ways:**

- Visit the ProviderOne client portal website: <https://www.waproviderone.org/client>
- Call the toll-free IVR line at 1-800-562-3022, follow the prompts.
- Request a change online: <https://fortress.wa.gov/hca/p1contactus/>
  - Select "Client.
  - Use select topic drop down menu to choose "Services Card."

There is no charge for a new card. It takes seven to 10 days to get the new card in the mail.

## Apple Health services covered without a managed care plan (also called fee-for-service)

HCA pays for some benefits and services directly, even if you are enrolled in a health plan. These benefits include:

- Dental services by a dental professional,
- Eyeglasses for children (age 20 and younger),
- Long-term care services and supports,
- First Steps Maternity Support Services (MSS), First Steps Infant Case Management (ICM), childbirth education, prenatal genetic counseling, and pregnancy terminations, and
- Services for individuals with developmental disabilities.

You will only need your ProviderOne services card to access these benefits. Your PCP or Community Health Plan of Washington will help you access these services and coordinate your care. See page 32 for more details on covered benefits. Call us if you have questions about a benefit or service listed here.

## Changing health plans

You have the right to change your health plan at any time. Your plan change may happen as soon as the month after you make your change. Make sure your plan change has taken place before you see providers in your new plan's network.

There are several ways to switch your plan.

- Change your plan on the Washington Healthplanfinder website: [wahealthplanfinder.org](https://www.wahealthplanfinder.org)
- Visit the ProviderOne client portal: <https://www.waproviderone.org/client>
- Request a change online: <https://fortress.wa.gov/hca/p1contactus/home/client>
  - Select the topic “Enroll/Change Health Plans.”
- Call HCA: 1-800-562-3022 (TRS: 711).

If you decide to change health plans, we will work with your new plan to transition medically necessary care so you can keep getting services you need. **NOTE:** Enrollees in the Patient Review and Coordination program must stay with the same health plan for one year. Contact us if you move.

## Using private health insurance and your Community Health Plan of Washington coverage

Some enrollees have private health insurance. We may work with other insurance to help cover some co-pays, deductibles, and services private health insurance does not cover.

Make sure your health care providers are in Community Health Plan of Washington's provider network or willing to bill us for any co-pays, deductibles, or balances your private insurance does not cover. This will help you avoid out-of-pocket costs.

Show all cards when you go to the doctor or other medical providers. This includes:

- Private health insurance card,
- ProviderOne services card, and
- Community Health Plan of Washington card.

Contact Community Health Plan of Washington right away if:

- Your private health insurance coverage ends,
- Your private health insurance coverage changes, or,
- You have any questions about using Apple Health with your private health insurance.

## How to get health care

### How to choose your primary care provider (PCP)

It's important to choose a primary care provider (PCP). You can find your PCP's information on your member ID card. We will choose a PCP for you if you do not choose one. You can request a provider if you are already seeing a PCP or have heard about a provider you want to try. We can help you find a new PCP if the provider you would like to see is not in our network. You have the right to change health plans without interruption of care. This right is in HCA's Transition of Care policy.

Each family member can have their own PCP, or you can choose one PCP to take care of all family members who have Apple Health managed care coverage. You can choose a new PCP for you or your family any time at [chpw.org/find-a-doctor](http://chpw.org/find-a-doctor) or call 1-800-440-1561 (TTY: 711).

### Setting your first PCP appointment

Your PCP will take care of most of your health care needs. Services you can get include regular check-ups, immunizations (shots), and other treatments.

Make an appointment as soon as you choose a PCP to become a patient with them. This will help you get care when you need it.

It is helpful for your PCP to know as much about your physical and behavioral health history as possible. Remember to bring

your ProviderOne services card, Community Health Plan of Washington's member ID card and any other insurance cards. Write down your health history. Make a list of any:

- Medical or behavioral health concerns you have,
- Medications you take, and,
- Questions you want to ask your PCP.

**Let your PCP know as soon as possible if you need to cancel an appointment.**

### How to get specialty care and referrals

Your PCP will refer you to a specialist if you need care they cannot give. Your PCP can explain how referrals work. Talk to your PCP if you think a specialist does not meet your needs. They can help you see a different specialist.

Your PCP must ask us for pre-approval or prior authorization before giving you some treatments and services. Your PCP can tell you what services require pre-approval or you can call us to ask.

We will get you the care you need from a specialist outside our network if we don't have one in network. We may need to pre-approve any visits outside of our network. Discuss this with your PCP.

Your PCP will request pre-approval from us with medical information to show us why you need this care. We must respond to your PCP within five days of the request. We will notify you of our decision no later than 14 days.

You have the right to appeal if we deny this request and you disagree with our decision. This means you can ask us to have a different person review the request. See page 75 for more information.

You are not responsible for any costs if your PCP or Community Health Plan of Washington refers you to a specialist outside of our network and we give pre-approval.

### Services you can get without a referral

You do not need a referral from your PCP to see a provider in our network if you need:

- Behavioral health crisis response services including:
  - Crisis intervention
  - Evaluation and Treatment services
- Family planning services
- HIV or AIDS testing
- Immunizations
- Outpatient behavioral health services
- Sexually transmitted disease treatment and follow-up care
- Tuberculosis screening and follow-up care
- Women's health services including:
  - Maternity services including services from a midwife, and,
  - Breast or pelvic exams

## Telehealth/Telemedicine

You can visit with your provider over the phone or the computer instead of an in-person appointment. This is known as telemedicine. Telehealth (also referred to as telemedicine) must be private, interactive, and real-time audio or audio and video communications. Virtual urgent care is also an option as part of your Apple Health coverage, more information can be found on page 34. You can share information with your provider and receive diagnosis and treatment in real time without being in the same place.

Community Health Plan of Washington covers telemedicine services approved for physical services. To find a telemedicine provider, visit [chpw.org/virtualcare](http://chpw.org/virtualcare) or ask your provider. You can also call our 24-hour Nurse Line at 1-866-418-2920 (TTY: 711) for free advice on what kind of care you may need.

## You must go to Community Health Plan of Washington doctors, pharmacies, behavioral health providers, and hospitals

You must use physical and behavioral health providers who work with Community Health Plan of Washington. We also have hospitals and pharmacies for you to use. You can request a directory with information about our providers, pharmacies, and hospitals. Directories include:

- The provider's name, location, and phone number.
- The specialty, qualifications, and medical degree.
- Medical school attended, Residency completion, and Board Certification status.
- The languages spoken by those providers.
- Any limits on the kind of patients (adults, children, etc.) the provider sees.
- Identifying which PCPs are accepting new patients.

To get a directory, call our member services line at 1-800-440-1561 (TTY: 711) or visit our website [chpw.org](http://chpw.org).

## Payment for health care services

As an Apple Health client, you have no co-pays or deductibles for any covered services. You might have to pay for your services if:

- You get a service that Apple Health does not cover, such as cosmetic surgery.
- You get a service that is not medically necessary.
- You don't know the name of your health plan and a service provider you see does not know who to bill.
  - It's important to take your ProviderOne services card and health plan card with you every time you need services.
- You get care from a service provider who is not in our network and it is not an emergency or pre-approved by your health plan.
- You don't follow our rules for getting care from a specialist.

Providers should not ask you to pay for covered services. Call us at 1-800-440-1561 (TTY: 711) if you get a bill. We will work with your provider to make sure they are billing you correctly.

## Quality Improvement programs

The goal of Community Health Plan of Washington's Quality Improvement Program is to improve your quality of care and experience. We track different health programs and report on how we're doing. We use this information to figure out how we can do better to make sure everyone gets the care and support they need.

From time to time, we will contact you by e-mail, mail or phone to tell you about programs or services that we think might help you, remind you about important health services, or just to learn more about you so we can continue to improve. If you have questions or want more information about the Quality Improvement Program, please call our Customer Service at 1-800-440-1561 (TTY: 711) or email us at [customercare@chpw.org](mailto:customercare@chpw.org).

## Utilization Management programs

Community Health Plan of Washington wants you to get care that's right for you, without getting care you don't need. We help make sure you get the right level of care by making decisions based on medical need, appropriateness, and covered benefits.

We do not reward the staff who make these decisions for saying no. This makes sure our decisions are fair. If you have questions about how these decisions are made, call 1-800-440-1561 (TTY: 711), Monday through Friday, 8 a.m. to 5 p.m.

## Information for American Indians and Alaska Natives

HCA gives American Indians and Alaska Natives in Washington a choice between Apple Health managed care or Apple Health coverage without a managed care plan (also called fee-for-service). HCA does this to comply with federal rules, in recognition of the Indian health care delivery system, and to help ensure that you have access to culturally appropriate health care. You can contact HCA at 1-800-562-3022 for questions or to change your enrollment. You can change your selection(s) at any time, but the change will not take effect until the next available month.

If you are American Indian or Alaska Native, you may be able to get health care services through an Indian Health Service facility, tribal health care program or Urban Indian Health

Program (UIHP) such as the Seattle Indian Health Board or NATIVE Project of Spokane. The providers at these clinics are knowledgeable and understand your culture, community, and health care needs. If you are connected or partnered with a Tribal Assister through an IHS facility, Tribal health program or UIHP, they can help you make your decision.

They will give you the care you need or refer you to a specialist. They may help you decide whether to choose a managed care plan or Apple Health coverage without a managed care plan. If you have questions about your health care or your health care coverage, your tribal or UIHP staff may be able to help you.

### **If you need urgent care**

You may have an injury or illness that is not an emergency but needs urgent care. Contact us at 1-800-440-1561 (TTY: 711). to find urgent care facilities in our network or visit our website at [chpw.org](http://chpw.org). If you have questions on whether to go to an urgent care facility, call our 24-hour nurse line at 1-866-418-2920 (TTY: 711). This line is open seven (7) days a week.

### **If you need care after hours**

Call your PCP to see if they offer after-hours care.

Call our 24-hour nurse line and ask for assistance 1-866-418-2920 (TTY: 711). You can also contact your health plan's virtual care service via phone, smartphone, tablet, or computer.

## Getting care in an emergency or when you are away from home

Call 911 or go to the nearest emergency room if you have a sudden or severe health problem that you think is an emergency.

Call us as soon as possible to let us know that you had an emergency and where you received care. You do not need pre-authorization to seek care in the event of an emergency. You may use any hospital or emergency setting if you are having an emergency.

Only go to the hospital emergency room if it's an emergency. Do not go to the emergency room for routine care.

## Behavioral health crisis

Call your county crisis line below if you or someone you know is experiencing a mental health crisis.

Contact us if it takes longer than the times above to see a provider.

## Benefits covered by Community Health Plan of Washington

This section describes benefits and services covered by Community Health Plan of Washington. It is not a complete list of covered services. Check with your provider or contact us if a service you need is not listed. You can view our benefits and services at [chpw.org/member-center](http://chpw.org/member-center).

Some covered health care services may require pre-approval. All non-covered services require pre-approval from us. Non-covered services through Apple Health without a managed care plan require pre-approval from HCA.

Some services are limited by number of visits. Your provider can request a Limitation Extension (LE) if you need more visits. Have your provider request an exception to rule (ETR) if you need non-covered services.

You may need to get a referral from your PCP and/or pre-approval from Community Health Plan of Washington before you get some services. If you don't have a referral or pre-approval, we may not pay for services. Work with your PCP to make sure there is a pre-approval in place before you get the service.

## General services and emergency care

Service	Additional information
Emergency services	Available 24 hours per day, seven days per week anywhere in the United States.
Hospital, inpatient and outpatient	Must be approved by us for all non-emergency care.
Urgent care	Use urgent care when you have a health problem that needs care right away, but your life is not in danger.
Preventive care	See page 31.
Hospital inpatient rehabilitation (physical medicine)	Must be approved by us.
Immunizations/vaccinations	Our members are eligible for immunizations from their PCP, pharmacy, or local health department. Check with your provider or contact member services for more information on the scheduling of your immunization series.
Skilled Nursing Facility (SNF)	Covered for short-term, medically necessary services. Additional services may be available. Call us at 1-800-440-1561 (TTY: 711).

## Pharmacy or prescriptions

We use a list of approved drugs called the Apple Health Preferred Drug List (PDL), also known as a formulary. Your provider should prescribe medications to you that are on the PDL. You can call us and ask for:

- A copy of the PDL.
- Information about the group of providers and pharmacists who created the PDL.
- A copy of the policy on how we decide what drugs are covered.
- How to ask for authorization of a drug that is not on the PDL.

You must get your medications at a pharmacy in our provider network. This makes sure that your prescriptions will be covered. Call us for help finding a pharmacy near you.

Service	Additional information
Pharmacy services	Members must use participating pharmacies. We use the Apple Health PDL. Call us at 1-800-440-1561 (TTY: 711) for a list of pharmacies.

## Health care services for children

Children and youth under age 21 have a health care benefit called Early and Periodic Screening, Diagnosis, and Treatment (EPSDT). EPSDT includes a full range of screening, diagnostic, and treatment services. Screenings can help identify potential physical, behavioral health or developmental health care needs which may require additional diagnostics and treatment.

EPSDT includes any diagnostic testing and medically necessary treatment needed to correct or improve a physical or behavioral health condition. This includes additional services needed to support a child who has developmental delay.

These services aim to keep conditions from getting worse and lessen the effects of a child's health care problem. EPSDT encourages early and continued access to health care for children and youth.

An EPSDT screening is sometimes referred to as a well-child or well-care check-up. Children under age 3 are eligible for well-child check-ups according to the Bright Futures EPSDT schedule, and aged 3-20 are eligible for a well-child check-up every calendar year. A well-child check-up should include the following:

- Complete health and developmental history.
- A full physical examination.
- Health education and counseling based on age and health history.
- Vision testing.
- Hearing testing.
- Laboratory tests.
- Lead screening.
- Review eating or sleeping problems.
- Oral health screening and oral health services by an Access to Baby and Child Dentistry (ABCD) qualified PCP.
- Immunizations (shots).
- Mental health screening.
- Substance use disorder screening.

When a health condition is diagnosed by a child's medical provider, the child's provider(s) will:

- Treat the child if it is within the provider's scope of practice; or
- Refer the child to an appropriate specialist for treatment, which may include additional testing or specialty evaluations, such as:
  - Developmental assessment,
  - Comprehensive mental health,
  - Substance use disorder evaluation, or
  - Nutritional counseling.
- Treating providers communicate the results of their services to the referring EPSDT screening provider(s).

All services, including non-covered, for children ages 20 and under must be reviewed for medical necessity.

Additional services include:

<b>Service</b>	<b>Additional information</b>
Autism screening	Available for all children at 18 months and 24 months.
Chiropractic care	For children 20 years of age and younger with referral from your PCP.

## Care Coordination

### Complex case management services

Complex case management is a service to help members with complex or multiple health care needs get care and services. Case managers help coordinate your care, with your goals in mind. A plan representative may suggest case management based on questions answered in your first health screening (health assessment) upon enrollment.

You can ask for case management services for yourself or a family member at any time. Health care providers, discharge planners, caregivers, and medical management programs can also refer you to case management. You must consent to case management services. For any questions call 1-800-440-1561 (TTY: 711).

## Additional Care Coordination services we may offer

To take care of your health, you must first take care of your basic needs. Community Health Plan of Washington's Community Supports team connects you to local resources for some of these needs. We can identify resources, make referrals, and coordinate with your providers. Community Supports can connect you with resources and programs in your community, such as: housing, transportation, and food. You may ask for Community Supports services yourself or a family member can request them for you. Others, such as your health care providers, hospital discharge planners, caregivers and our care management staff, can also refer you to Community Supports for connection to services. We need your permission before you can receive Community Supports services. For more information, call 1-866-418-7006.

We can also help connect you to treatment or services that you may need such as: Private Duty Nursing, ABA (Applied Behavioral Analysis), WISe (Wraparound with Intensive Services), PACT (Program of Assertive Community Treatment) and CLIP

(Children's Long-Term Inpatient treatment). Any of our staff can help direct you to those services. For referral or questions, call 1-800-440-1561 (TTY: 711).

**Community Supports.** Community Supports goes beyond medical care. It helps with other aspects of your life that affect your health. Community Supports can help you find stable housing, help you achieve food security, make sure you have a ride to and from your medical appointments, and connect you to other local resources.

**Care Management.** Managing multiple health issues or chronic health issues can be difficult. Our Care Management team is here to help you. Your personal case manager will help you identify and make a plan to reach your health goals. They will also be there to coordinate the different health services and programs you need to feel your best.

**Population Health.** CHPW offers one-on-one health coaching for members who are managing asthma, congestive heart failure (CHF), COPD, and/or diabetes.

**Transition of Care.** After you get out of the hospital, you still need support to make sure you fully recover. CHPW's Transition of Care team works with your hospital to make sure your discharge transition is smooth. They will check in on you with a phone call after you leave the hospital. They will make sure you are able to get to your follow-up appointments and pick up the medication you need.

**You can quit.** We can help. Quit smoking with the help of a coach, web support, and other resources with the Quit for Life® program. Learn more at [chpw.org/quit-for-life/](http://chpw.org/quit-for-life/).

**Learn how the Health Homes program can make managing your care easier.** Eligible members can get help with transitional care, care coordination, health education, care management, and much more. You can get more information at [chpw.org/health-homes](http://chpw.org/health-homes).

**Manage your mental health.** The Mental Health Integration Program gives you easier access to mental health providers in your primary care clinic, for no additional fee. Care Coordinators can consult with specialists and make mental health referrals for you, if needed. Speak to a Community Health Plan of Washington representative at 1-800-440-1561 (TTY: 711) to learn more.

**Youth Behavior Health Services Support.** CHPW has home, school, and community-based services to help children with behavioral needs. When a child's behavior disrupts family life, school, or peers, they can benefit from behavioral health support. The support includes: intensive care coordination and intensive mental health services provided in the home. If your child is in need of Applied Behavioral Analysis (ABA), please call our dedicated phone lines - ABA Phone Numbers: 1-866-418-7004 1-866-418-7005 (DSNP). We can also be reached by email at: [caremgmtReferrals@chpw.com](mailto:caremgmtReferrals@chpw.com)

## Apple Health services covered without a managed care plan

Apple Health covers some other services that are not covered under a managed care plan (also known as fee-for-service). Other community-based programs cover the benefits and services listed below even when you are enrolled with us. We will coordinate with your PCP to help you access these services and coordinate your care. You will need to use your ProviderOne services card for all services.

Call us with questions about a benefit or service not listed here. View the Apple Health coverage without a managed care plan booklet for a complete list of services:

## Long-term services and supports (LTSS)

Aging and Long-Term Support Administration (ALTSA) – Home and Community Services (HCS) provides long-term care services for people who are older and individuals with disabilities in their own homes, including an in-home caregiver, or in community residential settings. HCS also provides services to assist people in transitioning from nursing homes and assist family caregivers. These services are not provided by your health plan. To get more information about long-term care services, call your local HCS office.

## LTSS

ALTSA Home and Community Services must approve these services. Call your local HCS office for more information:

## Early learning programs

Department of Children, Youth, and Families (DCYF) provides services and programs for children under the age of five.

**Early Childhood Education and Assistance Program (ECEAP) and Head Start** are Washington's pre-kindergarten programs that prepare three and four-year-old children from low-income families for success in school and in life. ECEAP is open to any preschool aged child and family if they meet the income limits. For information on ECEAP and Head Start preschools visit [dcyf.wa.gov/services/earlylearning-childcare/eceap-headstart](http://dcyf.wa.gov/services/earlylearning-childcare/eceap-headstart).

**Early Support for Infants and Toddlers (ESIT)** services are designed to enable children birth to three with developmental delays or disabilities to be active and successful during the early childhood years and in the future in a variety of settings. Settings may include their homes, childcare, preschool or school programs, and in their communities. For more information visit [dcyf.wa.gov/services/child-development-supports/esit](http://dcyf.wa.gov/services/child-development-supports/esit).

**Home Visiting for Families** is voluntary, family-focused and offered to expectant parents and families with new babies and young children to support the physical, social, and emotional health of your child. For more information visit [dcyf.wa.gov/services/child-development-supports/home-visiting](https://dcyf.wa.gov/services/child-development-supports/home-visiting)

**Early Childhood Intervention and Prevention Services (ECLIPSE)** serves children birth to five years old who are at risk of child abuse and neglect and may be experiencing behavioral health issues due to exposure to complex trauma. Services are provided in King County and Yakima County. For more information visit [dcyf.wa.gov/services/early-learning-providers/eceap](https://dcyf.wa.gov/services/early-learning-providers/eceap).

Contact us and we can help connect you with these services.

## Accessing your health information

### If you are unhappy with your provider, health plan, or any aspect of care

You or your authorized representative have the right to file a complaint. This is called a grievance. We will help you file a grievance. To file a grievance, call us at 1-800-440-1561 (TTY: 711) or write to us at:

1111 3rd Ave, Suite 400,  
Seattle, WA 98101

### **Grievances or complaints can be about:**

- A problem with your doctor's office.
- Getting a bill from your doctor.
- Being sent to collections due to an unpaid medical bill.
- The quality of your care or how you were treated.
- The service provided by doctors or health plan.
- Any other problems you have getting health care.

We must let you know by phone or letter that we received your grievance or complaint within two working days. We must address your concerns as quickly as possible but cannot take more than 45 days. You can get a free copy of our grievance policy by calling us.

## Ombuds

An Ombuds is a person who is available to provide free and confidential assistance with resolving concerns related to your behavioral health services. They can help if you have a behavioral health grievance, appeal, or fair hearing to resolve your concerns at the lowest possible level. The Ombuds is independent of your health plan. It is provided by a person who has had behavioral health services, or a person whose family member has had behavioral health services.

Use the phone numbers below to contact an Ombuds in your area:

Region	Counties	Ombuds
Great Rivers	Cowlitz, Grays Harbor, Lewis, Pacific, Wahkiakum	1-800-803-8833 or 360-561-2257

## Important information about denials, appeals, and administrative hearings

**A denial** is when your health plan does not approve or pay for a service that either you or your doctor asked for. When we deny a service, we will send you a letter telling you why we denied the requested service. This letter is the official notice of

our decision. It will let you know your rights and information about how to request an appeal.

You have the right to ask for a review of any decision if you disagree, think it was not correct, not all medical information was considered, or you think the decision should be reviewed by another person. This is called an appeal. We will help you file an appeal.

**An appeal** is when you ask us to review your case again. You may appeal a denied service. You may call or write to let us know, but you must inform us of your appeal within 60 calendar days of the date of denial. We can help you file an appeal. Your provider or someone else may appeal for you if you sign to say you agree to the appeal. You only have 10 calendar days to appeal if you want to keep getting a service that you are receiving while we review our decision. We will reply in writing telling you we received your request for an appeal within five calendar days. In most cases we will review and decide your appeal within 14 calendar days. We must tell you if we need more time to make a decision. An appeal decision must be made within 28 calendar days.

You can request an appeal verbally or in writing. Send written appeal request to 1111 3rd Ave, Suite 400, Seattle, WA 98101, or Fax (206) 652-7040 or email [customercare@chpw.org](mailto:customercare@chpw.org). We can help you file your appeal. To request an appeal verbally, call us at 1-800-440-1561 (TTY: 711).

**NOTE:** If you keep getting a service during the appeal process and you lose the appeal, **you may have to pay for the**

## **services you received.**

**If it's urgent.** For urgent medical conditions, you or your doctor can ask for an expedited (quick) appeal by calling us. If your medical condition requires it, a decision will be made about your care within three days. To ask for an expedited appeal, tell us why you need the faster decision. If we deny your request, your appeal will be reviewed in the same time frames outlined above. You may file a grievance if you do not like our decision to change your request from an expedited appeal to a standard appeal. We will try to call you if we deny your request for an expedited appeal so we can explain why and help answer any questions. We must mail a written notice within two days of a decision.

If you disagree with the appeal decision, you have the right to ask for an administrative hearing. In an administrative hearing, an administrative law judge who does not work for us or HCA will review your case.

You have 120 days from the date of our appeal decision to request an administrative hearing. You only have 10 days to ask for an administrative hearing if you want to keep getting the service that you were receiving before our denial.

To ask for an administrative hearing you will need to tell the Office of Administrative Hearings that Community Health Plan of Washington is involved; the reason for the hearing; what service was denied; the date it was denied; and the date that the appeal was denied. Also, be sure to give your name, address, and phone number.

Submit the request for a hearing by:

1. Calling the Office of Administrative Hearings ([oah.wa.gov](http://oah.wa.gov)) at 1-800-583-8271,

Or

2. Writing to:

Office of Administrative Hearings  
P.O. Box 42489  
Olympia, WA 98504-2489

You may talk with a lawyer or have another person represent you at the hearing. If you need help finding a lawyer, visit [nwjustice.org](http://nwjustice.org) or call the NW Justice CLEAR line at 1-888-201-1014.

The administrative hearing judge will send you a notice explaining their decision. If you disagree with the hearing decision, you have the right to appeal the decision directly to HCA's Board of Appeals or by asking for a review of your case by an Independent Review Organization (IRO).

**Important time limit:** The decision from the hearing becomes a final order within **21 days** of the date of mailing if you take no action to appeal the hearing decision.

If you disagree with the hearing decision, you may request an Independent Review. You do not need to have an independent review and may skip this step and ask for a review from HCA's Board of Appeals.

**An IRO** is an independent review by a doctor who does not work for us. To request an IRO, you must call us and ask for a review by an IRO within 21 days after you get the hearing decision letter. You must provide us any extra information within five days of asking for the IRO. We will let you know the IRO's decision.

Call 1-800-440-1561 (TTY: 711) for help. You may ask for a quick decision if your health is at risk. If you ask for this review, your case will be sent to an Independent Review Organization

(IRO) within three working days. You do not have to pay for this review. We will let you know the IRO's decision.

If you do not agree with the decision of the IRO, you can ask to have a review judge from HCA's Board of Appeals to review your case. You only have 21 days to ask for the review after getting your IRO decision letter. The decision of the review judge is final. To ask a review judge to review your case:

- Call 1-844-728-5212,

Or

- Write to:

HCA Board of Appeals  
P.O. Box 42700  
Olympia, WA 98504-2700

## Your rights

As an enrollee, you have a right to:

- Make decisions about your health care, including refusing treatment. This includes physical and behavioral health services.
- Be informed about all treatment options available, regardless of cost.
- Choose or change your PCP.
- Get a second opinion from another provider in your health plan.
- Get services in a timely manner.
- Be treated with respect and dignity. Discrimination is not allowed. No one can be treated differently or unfairly because of their race, color, national origin, gender, sexual preference, age, religion, creed, or disability.
- Speak freely about your health care and concerns without any bad results.
- Have your privacy protected and information about your care kept confidential.
- Ask for and get copies of your medical records.
- Ask for and have corrections made to your medical records when needed.

- Ask for and get information about:
  - Your health care and covered services.
  - Your provider and how referrals are made to specialists and other providers.
  - How we pay your providers for your medical care.
  - All options for care and why you are getting certain kinds of care.
  - How to get help with filing a grievance or complaint about your care or help in asking for a review of a denial of services or an appeal.
  - Our organizational structure including policies and procedures, practice guidelines, and how to recommend changes.
- Receive plan policies, benefits, services and Members' Rights and Responsibilities at least yearly.
- Make recommendations regarding your rights and responsibilities as a Community Health Plan of Washington member
- Receive a list of crisis phone numbers.
- Receive help completing mental or medical advance directive forms.

## Your responsibilities

As an enrollee, you agree to:

- Talk with your providers about your health and health care needs.
- Help make decisions about your health care, including refusing treatment.
- Know your health problems and take part in agreed-upon treatment goals as much as possible.
- Give your providers and Community Health Plan of Washington complete information about your health.
- Follow your provider's instructions for care that you have agreed to.
- Keep appointments and be on time. Call your provider's office if you are going to be late or if you have to cancel the appointment.
- Give your providers information they need to be paid for providing services to you.
- Bring your ProviderOne services card and Community Health Plan of Washington member ID card to all of your appointments.
- Learn about your health plan and what services are covered.
- Use health care services when you need them.

- Use health care services appropriately. If you do not, you may be enrolled in the Patient Review and Coordination Program. In this program, you are assigned to one PCP, one pharmacy, one prescriber for controlled substances, and one hospital for non-emergency care. You must stay in the same plan for at least 12 months.
- Inform the HCA if your family size or situation changes, such as pregnancy, births, adoptions, address changes, or you become eligible for Medicare or other insurance.
- Renew your coverage annually using the Washington Healthplanfinder at [wahealthplanfinder.org](http://wahealthplanfinder.org), and report changes to your account such as income, marital status, births, adoptions, address changes, and becoming eligible for Medicare or other insurance.

## Advance directives

### What is an advance directive?

An advance directive puts your choices for health care into writing. The advance directive tells your doctor and family:

- What kind of health care you do or do not want if:
  - You lose consciousness.
  - You can no longer make health care decisions.
  - You cannot tell your doctor or family what kind of care you want.
  - You want to donate your organ(s) after your death.

- You want someone else to decide about your health care if you can't.

Having an advance directive means your loved ones or your doctor can make medical choices for you based on your wishes. There are three types of advance directives in Washington State:

1. Durable power of attorney for health care. This names another person to make medical decisions for you if you are not able to make them for yourself.
2. Health care directive (living will). This written statement tells people whether you want treatments to prolong your life.
3. Organ donation request.

Talk to your doctor and those close to you. You can cancel an advance directive at any time. You can get more information from us, your doctor, or a hospital about advance directives. You can also:

- Ask to see your health plan's policies on advance directives.
- File a grievance with Community Health Plan of Washington or HCA if your directive is not followed.

The Physician Orders for Life Sustaining Treatment (POLST) form is for anybody who has a serious health condition and needs to make decisions about life-sustaining treatment. Your provider can use the POLST form to represent your wishes as clear and specific medical orders. To learn more about Advance Directives contact us.

## Mental health advance directives

### What is a mental health advance directive?

A mental health advance directive is a legal written document that describes what you want to happen if your mental health problems become so severe that you need help from others. This might be when your judgment is impaired and/or you are unable to communicate effectively.

It can inform others about what treatment you want or don't want, and it can identify a person to whom you have given the authority to make decisions on your behalf.

If you have a physical health care advance directive you should share that with your mental health care provider so they know your wishes.

### How do I complete a mental health advance directive?

You can get a copy of the mental health advance directive form and more information on how to complete it at [hca.wa.gov/health-care-services-and-supports/behavioral-health-recovery/mental-health-advance-directives](https://hca.wa.gov/health-care-services-and-supports/behavioral-health-recovery/mental-health-advance-directives).

Community Health Plan of Washington, your behavioral health care provider, or your Ombuds can also help you complete the form. Contact us for more information.

## Preventing fraud, waste, and abuse

When fraud, waste, and abuse go unchecked, it costs taxpayer dollars. These dollars could be used for coverage of critical Apple Health benefits and services within the community. As enrollees you are in a unique position to identify fraudulent or wasteful practices. If you see any of the following, please let us know:

- If someone offers you money or goods in return for your ProviderOne services card or if you are offered money or goods in return for going to a health appointment.
- You receive an explanation of benefits for goods or services that you did not receive.
- If you know of someone falsely claiming benefits.  
Any other practices that you become aware of that seem fraudulent, abusive, or wasteful

If you suspect fraud, waste, or abuse, you can report it to us online or by email, mail, or fax. You have the option to report anonymously. To report online go to [forms.chpw.org/report-potential-fraud](https://forms.chpw.org/report-potential-fraud). To report by email, mail, or fax you can download a "Potential Fraud Report" form and use the contact information listed on the form. The form can be found at [chpw.org/member-center/member-rights/fraud-waste-and-abuse](https://chpw.org/member-center/member-rights/fraud-waste-and-abuse).

## We protect your privacy

We are required by law to protect your health information and keep it private. We use and share your information to provide benefits, carry out treatment, payment, and health care operations. We also use and share your information for other reasons as allowed and required by law.

Protected health information (PHI) refers to health information such as medical records that include your name, member number, or other identifiers used or shared by health plans. Health plans and HCA share PHI for the following reasons:

- Treatment – Includes referrals between your PCP and other health care providers.
- Payment – We may use or share PHI to make decisions on payment. This may include claims, approvals for treatment, and decisions about medical needs.
- Health care operations – We may use information from your claim to let you know about a health program that could help you.

We may use or share your PHI without getting written approval from you under certain circumstances.

- Disclosure of your PHI to family members, other relatives and your close personal friends is allowed if:
  - The information is directly related to the family or friend's involvement with your care or payment for that care; and you have either orally agreed to the

disclosure or have been given an opportunity to object and have not objected.

- The law allows HCA or Community Health Plan of Washington to use and share your PHI for the following reasons:
  - When the U.S. Secretary of the Department of Health and Human Services (DHHS) requires us to share your PHI.
  - Public Health and Safety which may include helping public health agencies to prevent or control disease.
  - Government agencies may need your PHI for audits or special functions, such as national security activities.
  - For research in certain cases, when approved by a privacy or institutional review board.
  - For legal proceedings, such as in response to a court order. Your PHI may also be shared with funeral directors or coroners to help them do their jobs.
  - With law enforcement to help find a suspect, witness, or missing person. Your PHI may also be shared with other legal authorities if we believe that you may be a victim of abuse, neglect, or domestic violence.
  - To obey Workers' Compensation laws.

Your written approval is required for all other reasons not listed above. You may cancel a written approval that you have given to us. However, your cancellation will not apply to actions taken before the cancellation.

If you want to access your protected Health Information (PHI), complete and return the Request to Access Protected Health Information form found at [chpw.org/member-center/member-forms-tools](http://chpw.org/member-center/member-forms-tools). You may also request a copy of the form by calling Community Health Plan of Washington's Customer Service department at 1-800-440-1561 (TTY: 711).

If you believe we violated your rights to privacy of your PHI, you can:

- Call us and file a complaint. We will not take any action against you for filing a complaint. The care you get will not change in any way.
- File a complaint with the U.S. DHHS, Office for Civil Rights at: [ocrportal.hhs.gov/ocr/portal/lobby.jsf](http://ocrportal.hhs.gov/ocr/portal/lobby.jsf), or write to:

U.S. Department of Health and Human Services  
200 Independence Ave SW, Room 509F, HHH Building  
Washington, D.C 20201

Or:

Call 1-800-368-1019 (TDD 1-800-537-7697)

**Note:** This information is only an overview. We are required to keep your PHI private and give you written information annually about the plan's privacy practices and your PHI. Please refer to your Notice of Privacy Practices for additional details.
