# 1 Accessing the Portal

You'll need to start by creating an account. This includes creating your user login ID, password, and setting up your security questions and answers. Setting up a member portal account lets you come back to the member portal at any time to review your coverage information.

## How to Create a myCHPW Member Portal Account

The CHPW member portal may look a little different depending on whether you are an Apple Health (Medicaid), Medicare Advantage, or Individual and Family Cascade Select member (for example, different colored portal pages depending on your plan). However, the member portal has most of the same features and is used the same way no matter which CHPW plan you have. Anything that is different for your specific plan, is indicated in this User Guide.

You will need to fill out and submit the online Member Registration form to CHPW. Follow these step-by-step instructions to create your member portal account.

### *Before You Begin*

You must have active coverage through CHPW to be able to create a myCHPW member portal account. To create a portal account, you will need the following:

- Your Member ID number. You can find this on your CHPW Member ID card.
- Your first and last name as it appears on your enrollment application.
- Your date of birth.
- Your residential address.

## Screens

### CHPW Member Welcome Page

As previously noted, you may have different colored portal pages depending on your plan.

## Step-by-Step Instructions

## More Information

### Start from the myCHPW Member Portal Page

#### 1. Open your web browser

Enter the myCHPW web address in your web browser address field: <https://mychpw.chpw.org/en/member>. Press **Enter**. You will see the Community Health Plan of Washington myCHPW login page. See the CHPW Member Welcome Page screen on page 5 of this guide.

#### 2. Start from the myCHPW Member Portal page. Click the *Sign up* link

This will take you to the Member Registration form.

### Member Registration Page

#### 3. You must select whom the account is being created for

**IMPORTANT! If you make an account for a dependent/spouse:**

CHPW will apply the HIPAA Privacy rule, the Health Insurance Portability and Accountability Act of 1996, which restricts access to specific medical information.

#### 4. Enter your *Member ID Number and Date of Birth*

The Member ID number you enter must match the number from your Member ID Card.

The birth date you enter must match the birth date from your enrollment application.

This is the number located on the front of your Member ID card. If the Member ID number does not exist, a message will display.

#### 5. Enter the rest of your information

Make sure you fill out the required fields.

The First Name and Last Name you enter on the Registration form must match the name on your Member ID card.

## 6. Create your User ID

The User ID you create must be at least eight characters. You can use your email address as your User ID if you want. Your User ID can contain any combination of numbers and letters. The only special characters allowed are: the @ symbol, a period, and an underscore.

If the User ID already exists, a message will display.

If the email address already exists, a message will display.

## 7. Password and Security Questions

Follow the instructions to create your password.

You will be able to change your password, security questions, and security answers at any time.

## 8. Agree to the Privacy Policy

There's a link to CHPW's Privacy Policy at the bottom of the page.

To complete the registration process, you must view and agree to the Privacy Policy. Select the link to view the Privacy Policy and check the box next to: "I understand and agree with the CHPW Privacy Policy."

## 9. Click the Register button.

If your registration was successful, a "Success" message will display with a link to the myCHPW member portal.

If your registration did not pass the validation process, the portal will display a message.

**IMPORTANT!** Before clicking the **Register** button, be sure to make a note of your User ID, Password, and Security Questions and Answers. You will need your User ID and Password to access the member portal. You will need your Security Questions and Answers if you want or need to change your password.

## What's Next

### 10. If your registration was successful:

The portal will display a message that has a link to the myCHPW member portal.

You can now sign in to the myCHPW member portal and view your health coverage information.

A confirmation email will be sent to the email account you entered on the registration form.

**11. If your registration was not successful:**

An email will be sent to the email account you entered on the registration form.

## How to Log in to the Member Portal

Follow these step-by-step instructions to log in to the myCHPW member portal.

### *Before You Begin*

You will need your User ID and Password.

## Step-by-Step Instructions

## More Information

### Steps

#### Start from the Member Portal

- 1. Enter your User ID and Password.**

**IMPORTANT!** The member portal keeps track of failed login attempts and will lock your account after three failed attempts. If your account is locked, follow the instructions on the onscreen message to unlock your account.

- 2. Click the Sign In button.**

If your login is successful, you will be taken to the Member Dashboard.

## How to Enable or Disable Two-Factor Authentication

You have the option to protect your account with an added layer of security. It's called "two-factor authentication" or "2FA" (or "two-step authentication"). With 2FA, even if someone gets your myCHPW password, they won't be able to sign in to your account.

You'll be prompted to set up 2FA when logging into the member portal, however, 2FA is optional. You'll still be able to access and use the portal even if you don't set up 2FA.

Next time you log into myCHPW, follow the on-screen instructions to either enable 2FA or to opt out of it. Whichever you choose, you can change your 2FA preference later.

### Screens—enable 2FA

The screenshot shows a web page titled "Two-Step Authentication" with the Community Health Plan of Washington logo in the top left. The page content includes:

- Two-Step Authentication**
- Protect your account with an added layer of security. It's called "Two-factor Authentication".
- Each time you sign in to your Member Portal Account, you will need your password and verification code.
- Add an extra layer of security**  
Enter your password and unique verification code that's sent to the email address on your account.
- Keep the bad guys out**  
Even if someone else gets your password, it won't be enough to signing in to your account.
- Signing in to your account will work a little differently with two-step authentication:
  1. When you sign in, you will enter your user name and password as you normally do.
  2. Then we will send a one-time password (OTP) to the email address on your account. You will enter this OTP to finish signing in.
- Please select 'Enable' option to Opt-in or 'Disable' option to Opt-out from Two-Factor Authentication.
- Two radio button options:  Enable and  Disable. The "Enable" option is highlighted with a red box.
- Two buttons at the bottom: "Cancel" and "Next".

## TWO-STEP AUTHENTICATION

Now we'll send you a One-time password (OTP), which you'll enter in the next step.

### Steps

Start from the member portal sign-in screen.

1. **Open your web browser and go to the myCHPW portal.**

Go to <https://mychpw.chpw.org/en/member>.

2. **Click Enable.**

Then click **Next**.

Or, click **Disable** if you don't want to use 2FA. If you choose Disable, the portal takes you straight to your Member Dashboard.

This is a one-time screen. Once you select a preference, you won't be prompted to enable or disable 2FA next time you log in, however, you can change your preference later. See the "How to Change Your 2FA Preference" section below.

**3. Click Send OTP.**

A confirmation pop up box displays stating a message was sent to the email address that we have on file for you.

**4. Check your email for the OTP.**

**IMPORTANT!** Your OTP code is valid for **20 minutes**.

**5. Go back to the myCHPW member portal and enter the OTP.**

Enter the OTP that we sent to your email and then click **Validate**.

**6. The portal takes you to your Member Dashboard.**

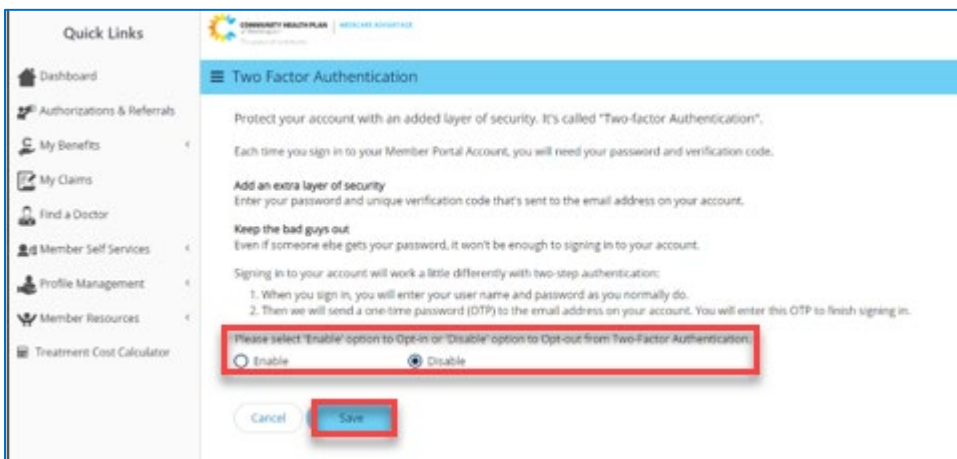

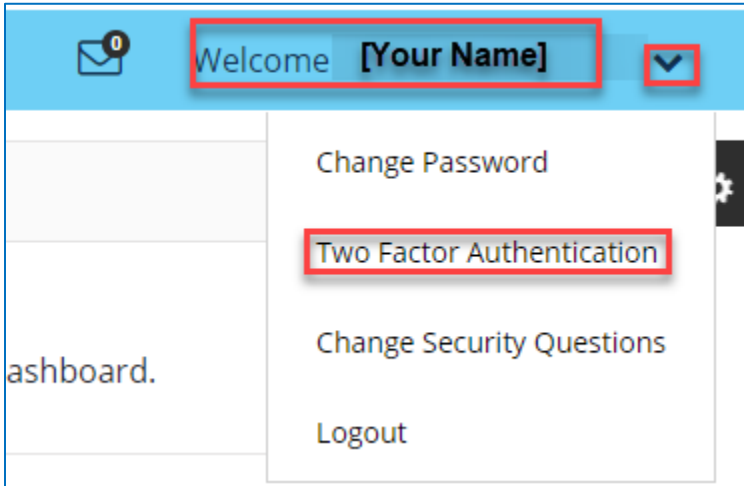

**7. If your OTP expired, or if you receive a message that you entered the wrong code, or if your account is locked, contact Customer Service.**

Call (800) 440-1561 or email [customercare@chpw.org](mailto:customercare@chpw.org).

## How to Change Your 2FA Preference

You can change your 2FA preference at any time.

## Steps

Start from the member portal sign-in screen.

1. **Sign in to the portal as usual.**  
Enter your User ID and Password as you normally do.
2. **Click Welcome [Your name].**  
Then click **Two Factor Authentication**.

**3. Choose either Enable or Disable to change your preference.**

Then click **Save**.

**4. You can log out and log back in right away to confirm your 2FA preference is updated, or you can wait until next time you log in again.**

**5. If you need assistance, or if your account is locked, contact Customer Service.**

Call (800) 440-1561 or email [customercare@chpw.org](mailto:customercare@chpw.org).

## How to Log Out

We recommend that you log out of the member portal instead of just closing your browser. Follow these step-by-step instructions to securely end your member portal session.

## Step-by-Step Instructions

## More Information

### Steps

#### Start on your Member Dashboard

1. Click the **Claims >> Submit a Claim** quick link.  
The **Member Claim Submission** page is displayed.
2. Search for your **Member Information** to auto-populate this section.
  - a. You can enter your CHPW **Member ID** and click the magnifying glass to search. Or, you can click the magnifying glass first to search with your CHPW **Member ID**, your **Medicare ID**, or your **ProviderOne ID**. You can also search by your member name, date of birth, and more.
  - b. Then click the **Search** button to retrieve your member information.
  - c. Once your **Member ID** is validated, the record(s) will display, showing your **Subscriber ID**, **Member Name**, **DOB** (date of birth), and more.
  - d. When you select the radio button (click the small circle in the **Select** column) and click the **Continue** button, you will be taken back to the **Member Claim Submission** screen and your member details will populate.
  - e. If you have any dependents, you will be able to select the member from the **Member Search Results**. You can select your dependent from the dropdown menu and then submit a claim for them.

### 3. Provider search

You can choose to search for a **Provider Name** with the magnifying glass displayed under the **Provider Information** section. If the provider is not in our system, then you will not receive any results.

- a. Enter the provider details or click on the **Search** button to select a provider.
- b. After you click the **Search** button, the **Provider Search Results** screen will be displayed.
- c. Select a provider from the list and click the **Continue** button.
- d. Enter a keyword in the **Clinic/ Facility Name** field, then select a clinic or facility name from the dropdown menu.
- e. Enter the address information of the clinic/facility. Required fields are marked with a \*.

### 4. Servicing Information

You must enter the **Servicing Information: Date Of Service, Diagnosis Code**, etc. Hover your cursor over a question mark icon to see more information about what to enter. All fields in this section are required.

- a. You can enter a date in the **Date of Service** field or you can select a date by clicking on the calendar icon.
- b. You can enter a **Diagnosis Code** in the text field or you can search using the magnifying glass icon. Once you have selected the diagnosis code, the **Diagnosis Code** field is updated.
- c. Next, search for the procedure code in the **Procedure Code** field. Enter keywords, or part of a keyword, then select from the dropdown list.

5. Next, you must complete the **Proof of Payment** field. For example, you can type “receipt” or “superbill.”

### 6. Upload File

Upload your **Proof of Payment**. File formats .pdf, .tiff, .tif, .png, .jpeg, .jpg, .bmp files should be supported.

## 7. Add Claim

Click the **Add Claim** button and your claim details will be displayed.

- a. Once you click the **Add Claim** button, you can either:
  - i. Click **Submit** to send your claim(s) for processing;
  - ii. Or, you can add another claim with the same member and provider information pre-populated;
  - iii. Or, you can key over the pre-populated provider information to enter a claim for another provider.
- b. If you are entering additional claims, the **Servicing Information** section will be cleared out by the system. You will be taken to the **Servicing Information** section to enter the additional claim details.
- c. If you choose to delete your claim and start over: The **Action** column has a delete option (garbage can icon).
- d. Once you have entered *all* of your claims, click **Submit**.
- e. A “success” message should display after you click the **Submit** button on the **Member Claims Submission** screen.

## 8. View Claims

You can view claims *that you have submitted* on the **Submit a Claim** tab.

Click the **View** option in the **Action** column to display a snapshot of the submitted claim.

Click the **Back to Summary** button to return to the **Submit/View Member Claims** screen.

Click the **Submit a Claim** button to return to the **Member Claim Submission** screen.

Go to the next section of this manual below for instructions on how to view **claims submitted by your provider**.

## How to View Provider-Submitted Claims and EOBs

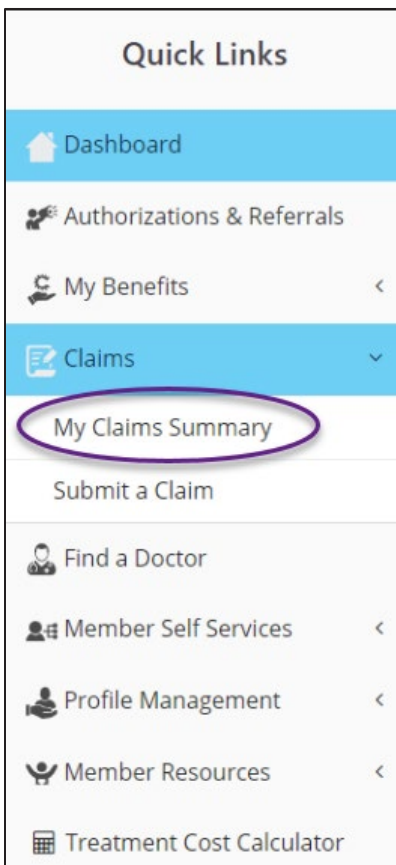

You can view claims **submitted by your provider**, and the EOBs (explanation of benefits) associated with the claims, in the myCHPW member portal. Follow these step-by-step instructions to see your medical claims and their associated EOBs. You can view **claims that you submitted** by following the instructions on the previous pages.

### *Before You Begin*

Log in to the myCHPW member portal and start from the **Member Dashboard**. You can view a summary of your claims on your dashboard, and you can use the **Advanced Search** to search for claims by a date of service range.

## 6 Find/Rate A Doctor

### How to Find a Doctor

Follow these step-by-step instructions to search for a doctor/medical professional, hospital, facility, behavioral health or DME (durable medical equipment) supplier using Find A Doctor.

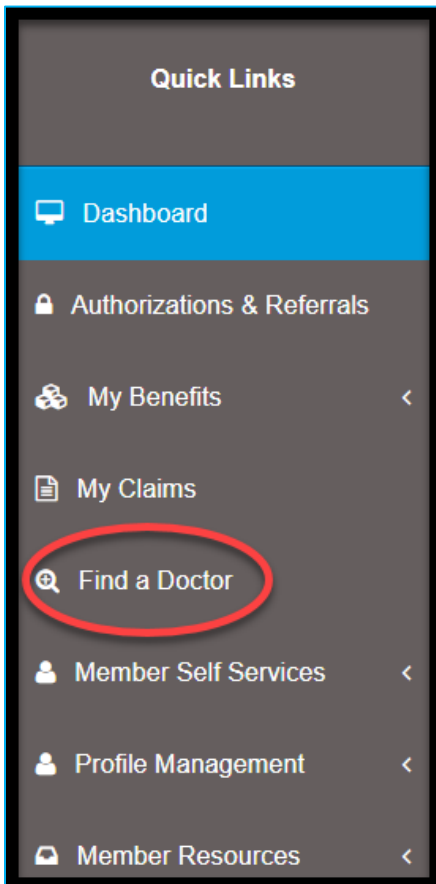

#### *Before You Begin*

Log in to the member portal and start from the **Member Dashboard**.

#### *Screens*

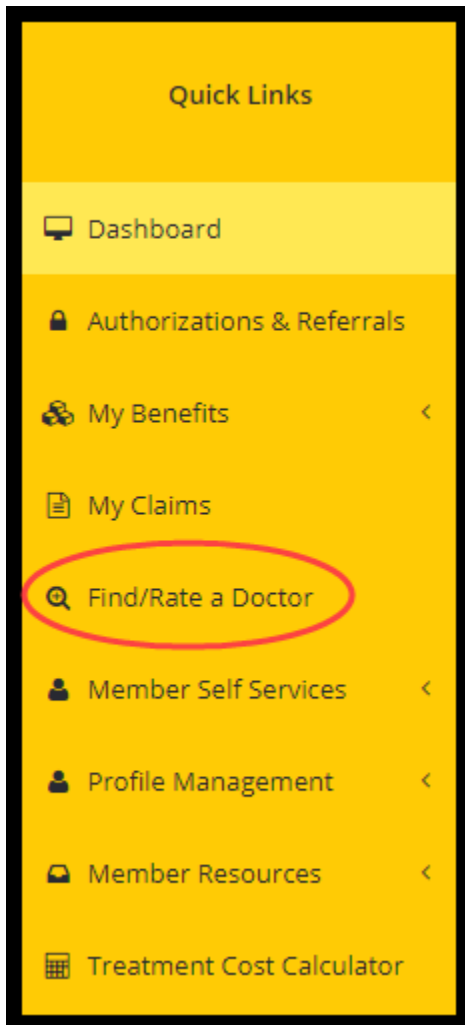

##### **Dashboard – Quick Links**

As previously noted, you may have different colored portal pages depending on your plan.

### ***Member Dashboard – Quick Links***

As previously noted, you may have different colored portal pages depending on your plan.

## Quick Search

When the **Find A Doctor** search page displays it will return results based on these default values: Doctors/Medical Professionals, your provider network, and within a 5-mile radius of your home address. You will see a pin on the map for each location found. To view a specific location, select the **View on Map** link in the search results. Search results will display below the map.

The screenshot shows the 'Find/Rate a Doctor' search page. On the left, a search filter panel is highlighted with a red box. It includes the following fields:

- Zip/City/County: Enter Zip/City/County
- Provider Type: Doctors/Medical Professionals
- Specialty: Internal Medicine
- CHPW Plan: Cascade Select
- Primary Care Provider:
- Accepting New Patients:
- Advanced Filter Options: Search, Clear

The main search area shows a map of Washington and Oregon with several red pins indicating provider locations. Two input fields at the top of the map are circled in red, labeled 'Enter a start location' and 'Enter a destination location'. Below the map, it displays 'Showing 1 - 10 of 129 locations within 25 miles' and 'Last Updated: 07/26/2021'. A list of search results is partially visible below the map.

A map displays next to the quick search fields at the top of the search results. It shows you directions and the route. The map view defaults to an expanded view.

The screenshot shows a map interface with the following elements:

- Provider Search Results:** Located at the top left, it contains two search input fields. The first field, "1111 3rd Ave, Seattle, WA 98101", is circled in red. The second field, "2000 3rd Ave, Seattle, WA 98121", is also circled in red.
- Map:** A Google Maps-style map of downtown Seattle. A blue route is shown starting from a red pin labeled 'A' at 1111 3rd Ave and heading northwest. A second red pin labeled 'B' is located further northwest. The map includes labels for "PIKE PLACE MARKET", "Seattle Aquarium", "Target", and "Seattle Art Museum".
- Map Controls:** On the right side of the map, there are buttons for "Map" and "Satellite", a full-screen icon, a person icon, and zoom in (+) and zoom out (-) buttons.
- Directions Panel:** On the right side, below the map, there is a panel showing the destination "1111 3rd Ave, Seattle, WA 98101, USA" and the distance "0.5 mi. About 4 mins". A list of directions is provided:
  1. Head northwest on 3rd Ave toward Seneca St 0.5 miAdditional text in the panel includes: "Parts of this road are closed 6:00 AM - 7:00 PM" and "Pass by Chipotle Mexican Grill (on the right in 0.2 mi)".
