

# NAVIGATOR NEWS

Welcome to our very first edition of *Navigator News*, a quarterly newsletter designed specifically for health insurance navigators like yourself! You help others find the best health plan. Our aim is to provide you with information to help you do that more efficiently.

## What's new

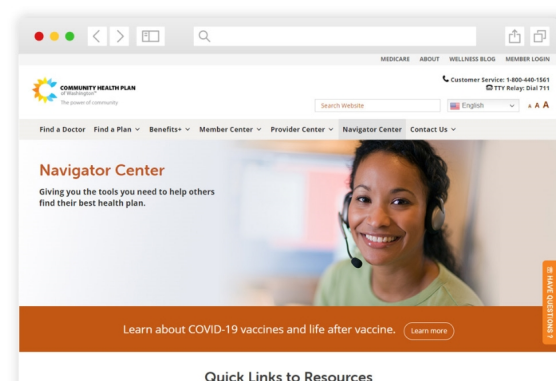

### This newsletter!

We're rolling out *Navigator News* to keep you informed of what's going on at CHPW. We know you're busy and have lots to juggle, so we'll try to keep it short and sweet. Our goal is to provide you with quick tips, tools and information that will (hopefully) make doing your job a bit easier.

### New website just for you

We've launched Navigator Center, a new webpage designed for you. Here you'll find quick access to information, forms, tools, and downloadable materials (like CHPW flyers and brochures) that will come in handy when talking with Apple Health clients. Check it out at [chpw.org/navigator-center/](http://chpw.org/navigator-center/).

**Bonus:** You can view this newsletter in alternate languages on the webpage by toggling the language field in the upper-right corner.

### Improved ChildrenFirst™ benefit

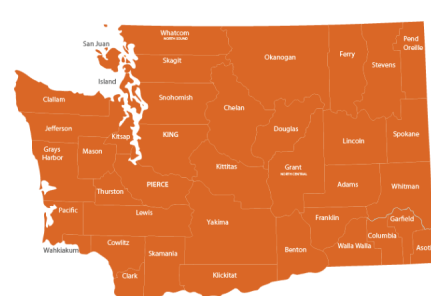

This is one of our most popular Apple Health (Medicaid) benefits and many AH members (and navigators) ask about it. Now it just got a whole better. Pregnant members can now earn \$100 in gift cards for prenatal visits and a \$50 gift card for a postpartum checkup. Plus, parents can earn a \$20 gift card every time their child goes in for a well-child checkup, until they turn 18. More details at <https://www.chpw.org/navigator/childrenfirst-program/>

### Expanded coverage

Beginning January 1, 2022 your Apple Health client in any county in WA can join CHPW! See more at: <https://www.chpw.org/navigator/chpw-sales-representatives/> We've also expanded our coverage area for Medicare and Cascade Select.
