

ECHO IDD PSYCHIATRIC CARE

ECHO Intellectual and/or Developmental Disabilities (IDD) Psychiatric Care connects providers from across Washington State who are managing the psychiatric care of youth and young adults with IDD and behavioral health needs.

WHAT YOU GAIN:

- **Support and advanced training in diagnostic assessment and psychopharmacology** to increase confidence in treating the co-occurring mental health conditions in IDD youth and young adults..
- Application of **evidence-based treatments** for common co-occurring behavioral health conditions.
- Meet a **network of other providers** serving similar youth and families.
- Access to professional development opportunities and **learning collaboratives that are committed to advancing health equity and social justice.**

WHO IS ELIGIBLE:

- Primary Care Providers, Psychiatrists, Psych ARNPs, PA-Cs, NDs.
- Already be enrolled with a Managed Care Organization (MCO) or considering enrollment with an MCO.
