

Dear Providers:

Below you will find a collection of resources to support engagement of youth and parents/guardians related to COVID-19 vaccination. The links below contain resources on minor consent, updated CDC guidance on co-administration of other vaccines with the COVID vaccine, COVID-19 vaccine information sheets for parents and teens, and a pediatric provider COVID vaccination toolkit.

Resource	Links to Document
Washington State Department of Health Guidance on Minor Consent and the Washington State Mature Minor Doctrine	https://www.doh.wa.gov/Emergencies/COVID19/HealthcareProviders/VaccineInformationforHealthcareProviders/ToolkitandResources#minorconsent
Updated CDC guidance on co-administration of other vaccines with the COVID-19 vaccine	https://www.cdc.gov/vaccines/covid-19/info-by-product/clinical-considerations.html#Coadministration On May 14, 2021, the CDC issued updated guidance on the co-administration of other vaccines and the COVID-19 vaccine.
Sample Vaccine Consent form from Public Health Seattle King County	https://kingcounty.gov/~media/depts/health/communicable-diseases/documents/C19/C19-vaccine-minor-consent-form-EN.ashx?la=en This is the consent form used by Public Health Seattle-King County (PHSKC) at their vaccination sites. This is being provided for sample purposes only. Providers must develop their own consent and documentation processes. This consent form is offered by PHSKC in 23 languages.
CDC Youth Vaccination Resources	CDC COVID-19 Resources for Parents and Adolescents <ul style="list-style-type: none"> • New web page: COVID-19 Vaccines for Children and Teens provides information about the benefits of COVID-19 vaccines for adolescents aged 12 and older, how to find a vaccination provider for adolescents, and what to expect during and after vaccination. • New fact sheet: COVID-19 Vaccines for Preteens and Teens is a printable fact sheet for parents that explains the benefits of a COVID-19 vaccine

for their children, safety information, and what to expect during and after vaccination.

- **New frequently asked questions:** Two [new FAQs](#) have been posted to address questions about the safety and benefits of COVID-19 vaccination for adolescents aged 12 and older.
- **New myth-buster about menstrual cycles:** Your menstrual cycle *cannot* be affected by being near someone who received a COVID-19 vaccine. This [question and answer](#) explains why.
- **Myth-buster about infertility:** It is safe for people who would like to have a baby one day to get a COVID-19 vaccine. This [question and answer](#) explains why.
- **Key things to know:** The web pages [Key Things to Know about COVID-19 Vaccines](#) and [About COVID-19 Vaccines](#) have been updated to include the recommendation that adolescents aged 12 and older get vaccinated.
