Introduction

This booklet provides a list of network pharmacies.

When this pharmacy directory refers to “we,” “us,” or “our,” it means Community Health Plan of Washington. We call the pharmacies on this list our “network pharmacies” because we have made arrangements with them to provide prescription drugs to Plan members. In most cases, your prescriptions are covered under our plan only if they are filled at a network pharmacy.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was updated. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. This list is current as of 6/29/2020.

Changes to our pharmacy network may occur during the benefit year.

If you have any questions or need instructions on how to submit claims for prescriptions that you filled at a non-network pharmacy, please call our Customer Service at 1-800-440-1561 (TTY Relay: Dial 711), Monday through Friday, 8 a.m. to 5 p.m.
