of Washington™  
The power of community

# Pharmacy benefits designed for you

The medicine that keeps you healthy shouldn't add more stress to your life. Community Health Plan of Washington's (CHPW) pharmacy services put your needs first, and make it easy for you to get your medication.

## 90-day prescription fills

CHPW members can get a 90-day supply of many medications used to treat chronic conditions like high blood pressure, high cholesterol, diabetes, and depression.

Ask your doctor or pharmacist if the medications you're taking are eligible for a 90-day fill.

## Prescriptions sent to your home\*

As a CHPW member, you can have your prescriptions sent to your home for your convenience and safety.

To get started, call Walmart (1-800-273-3455). Many of our Community Health Centers (CHCs) also provide this service—call your CHC pharmacy to see if yours is one of them.

## Emergency COVID-19-related benefits\*

As a temporary benefit, these pharmacies are currently sending prescriptions to the homes of CHPW members:

- Some CHCs
- Rite Aid
- Walgreens Express

## To get your prescriptions sent to your home:\*

1. Call the CHC, Rite Aid, or Walgreens where you get your prescription filled, or call Walmart Home Delivery at 1-800-273-3455.
2. Tell them you're a CHPW member. (You may want your member ID handy.)
3. Each program works differently, so follow their instructions to get your prescription sent to you.

\*Other pharmacies may offer this service. Call your pharmacy for details.
